

Understanding the CMS ROPs & New Survey Process

The Arizona Health Care Association is pleased to present Understanding the CMS Requirements of Participation (ROP) and New Survey Process Strive for 5 Forum. Speakers from the American Health Care Association and Arizona Department of Health Services will discuss the latest in survey trends and regulatory updates. Topics for the day include Phase II of the ROPs, the Facility Assessment, the new survey process, reporting requirements, and more. This interactive forum will require attendees to bring reference materials to include in the discussion portion of the training (see the back of this flier for details).
