October 1, 2019**

Phoenix Airport Marriott
1101 N 44th St, Phoenix, AZ 85008
9:00am – 12:00pm

2.75 CEUs

\$25 per person*

Disaster Ready is pleased to partner with **Banner Health** to bring the Stop the Bleed training to skilled nursing centers in Arizona.

Motivated by the 2012 tragedy in Sandy Hook, and multiple tragedies that have occurred in the ensuing years, what has become known as the Hartford Consensus was convened to bring together leaders from law enforcement, the federal government, and the medical community to improve survivability from active shooter and intentional mass casualty events. The resulting injuries from these events generally present with severe bleeding which, if left unattended, can result in death.

Civilians need basic training in Bleeding Control principles, so they are able to provide immediate, front line aid, until first responders are able to take over care of an injured person. Due to many situations, there may be a delay between the time of injury and the time a first responder is on the scene. Without civilian intervention in these circumstances, preventable deaths will occur.

This interactive, hands-on training will teach participants how to stop uncontrolled bleeding in emergency situations. Don't miss this important workshop that will arm you with knowledge to mitigate casualties, if the unthinkable happens.

*Participants will receive their Stop the Bleed certification.
