9:00 am – 1:00 pm | Health Services Advisory Group

3133 E Camelback Road | Conference Room | Phoenix AZ 85016

TARGET AUDIENCE: Leadership, Clinical, IT, Maintenance

This tabletop exercise (TTX) will focus on the threat of a cyber-attack in a skilled nursing facility or assisted living community.

This TTX represents an opportunity for your facility to receive training from subject matter experts and participate in an exercise on a peril that is identified in your Hazard Vulnerability Assessment (HVA)-cyber threats.

PRESENTED BY: The Arizona Counter Terrorism Information Center (ACTIC) and facilitated by the Disaster Ready team.

Consider sending as many staff members as possible | Lunch will be provided
